SHRED-IT-TOR

Model SD-1675 Corrugated Shredder

The economical and reliable Highlight Shred-It-Tor shreds scrap corrugated cardboard into useful packaging material!

Why throw out those scrap boxes? Turn them into “free” packaging material for all your shipments!

Easy to use, the working surface has standard size guides marked on it for accurate cutting widths. The Highlight Shred-It-Tor will shred 16.75 inches of material and cut any additional width to be fed back into the Shred-It-Tor.

Highlight also offers useful accessories: A dust extractor vacuum and a collection bin for the shredded material.
